I would like to thank my family for all of their support. I would also like to thank my Installing team for taking time to be here. I would also like to thank the Advisory Council for always supporting the chapter and for lending a hand in any way they can. Most importantly I would like to thank my brothers for all of their hard work and dedication to the order. Without all of you there would be no DeMolay.

DeMolay combines this serious mission with a fun approach that builds important bonds of friendship among members in more than 1,000 chapters world wide.
